GitHub: https://github.com/Pawanchandraupreti
Email: upretipawanchandra@gmail.com
Mobile: +91-9888856682

Skills

Languages: C++, Java, C, Python
Frameworks: NIST CSF, ISO/IEC 27001, CIS Controls
Tools/Platforms: Wireshark, Nmap, Kali Linux, Git
Soft Skills: Problem-Solving Skills, Critical Thinking, Time Management, Adaptability

Training

CyberSecurity Training | CipherSchools Jul 2025

- Completed an intensive 70-hour CyberSecurity training conducted by CipherSchools, with performance assessed as Satisfactory.
- Gained hands-on exposure to core cybersecurity domains including network security, threat analysis, vulnerability assessment, and ethical hacking fundamentals.
- Applied practical skills using industry-standard tools such as Wireshark, Nmap, and Kali Linux for active security testing and network traffic monitoring.

Projects

Local Network Vulnerability Scanner | GitHub Mar 2026

- Built a local network vulnerability scanner to identify open ports, exposed services, and security misconfigurations across networked hosts.
- Utilized Python, socket programming, and network scanning libraries for automated threat detection.
- Reduced manual auditing effort by delivering structured reports, improving overall network security posture.

Tech Stack Used: Python, python-nmap, ReportLab

Network Intrusion Detection System | GitHub Aug 2025

- Designed and implemented a real-time Intrusion Detection System capable of capturing live network packets.
- Applied rule-based and ML-based detection mechanisms to identify suspicious traffic patterns.
- Achieved 94% detection accuracy on simulated attack traffic using ML-based classification.

Tech Stack Used: Python, Scikit-Learn, Python Logging Framework.

Certificates

- Cyber Security | Cipher Schools | Certificate — Jul 2025
- Cloud Computing | NPTEL | Certificate — April 2025
- Unrevealing Basic Python towards ML/AI | CSE Pathsala | Certificate — Mar 2024

Achievements

- Achieved 1st Rank in Analytical Skills Leaderboard in the 4th semester with a merit prize. — Dec 2025
- Google AI Agents Intensive Badge — Kaggle. — Dec 2025
- Solved 160+ Data Structures & Algorithms problems on LeetCode. — May 2025

Education

Lovely Professional University — Punjab, India
Bachelor of Technology - Computer Science and Engineering CGPA: 7.9 — Aug 2023 – Present
Bhartiya Vidya Mandir Sen Sec School — Ludhiana, Punjab
Intermediate - Percentage: 76% — Apr 2022 – Mar 2023
Shaiwal High School — Ludhiana, Punjab
Matriculation - Percentage: 97% — Apr 2020 – Mar 2021
